TRAINING MATERIALS AVAILABLE: The Inpatient Rehabilitation Facility (IRF) and Long-Term Care Hospital (LTCH) Updated Guidance Virtual Training Program – Prerecorded Training Videos

The Centers for Medicare & Medicaid Services (CMS) is providing a virtual training program that will review the updated guidance for the IRF Patient Assessment Instrument (IRF-PAI) 4.0 and the LTCH Continuity Assessment Record & Evaluation (CARE) Data Set (LCDS 5.0) for providers in the IRF and LTCH settings.

The Part 1 preconference training videos of the **Virtual Training Program** are now available to view on [YouTube](#). The recorded training session videos deliver foundational knowledge necessary to understand the new items and guidance.

The Part 2 live, virtual workshop sessions of the **Virtual Training Program** will be recorded and available after the conclusion of the event. These sessions provide coding practice on the items covered in the Part 1 videos.

If you have questions about accessing resources or feedback regarding the trainings, please email the [PAC Training Mailbox](#). Content-related questions should be submitted to the [LTCH QRP Help Desk](#).
