SUBJECT: Certification of Monthly Enrollment and Payment Data for Medicare-Medicaid Plans – Additional Clarification to Previous Memoranda of March 14, 2014 and August 16, 2013

The August 16, 2013 memorandum entitled, “Updates to the Health Plan Management System (HPMS) Electronic Contracting Module – Release of the Contracts and Addenda for Contract Year (CY) 2014 and the Certification of Monthly Enrollment and Payment Data” stated the guidance did not apply to Medicare-Medicaid Plans (MMPs). The March 14, 2014 memorandum entitled “Certification of Monthly Enrollment and Payment Data for Medicare-Medicaid Plans – Clarification” stipulated that the specific part of that guidance regarding the completion and submission of the monthly enrollment and payment certification applies to all MMPs participating in the capitated Financial Alignment Demonstration.

Upon further consideration, we have determined that the enrollment and payment certification requirements will not apply to Medicare-Medicaid Plans at this time.
